Dear Dr. Quail:

The Scientific Director and CTR's staff have discussed your letter requesting partial support for the FASEB summer conference on "*Plant Gene Expression*". Unfortunately, competition for research funds has meant we are unable to approve a number of meritorious requests for meeting support this year. Although we are unable to lend assistance for this particualr conference, the Scientific Staff and I hope you will not hesitate to contact us about partial funding for future meetings.

Sincerely,

Harmon C. McAllister
